ABOUT MODA

MODA is a Gold Coast design studio creating custom lifestyle collections for the world's most considered hotels, yachts and hospitality brands. Every piece is designed in-house and made exclusively, in small quantities, with our artisanal and production partners. Objects intended to be used, kept and remembered, rather than put in a drawer.

THE COLLECTION

Three gifts, each with a clear purpose. *The Signature Gift*: an Overnight / Gym Bag, with the option to add a matching Gym Towel. *The Celebration Gift*: a Wine Carrier for the moments worth marking. *The Everyday Gift*: a Tech Folio for the working day. Every piece is made from 100% heavyweight luxe cotton canvas, lined in cotton drill and finished with a tan leather patch carrying your logo in gold foil.

THE FABRIC

Every piece is cut from 100% heavyweight luxe cotton canvas in a woven stripe, and lined in cotton drill. A structured, durable fabrication made to be used every day.

Shown with the MODA logo. Your logo is heat-printed in gold foil onto the same tan leather patch, on every piece.

CUSTOM LOGO PATCH

Your logo, *in gold foil.*

Every piece in the collection carries a tan leather patch, heat-printed in gold foil with your company logo. Quiet, tonal and permanent, so the gift feels like a considered object, not merchandise. The optional Gym Towel is custom printed with your logo.

Please supply a vector logo (AI, EPS, SVG or PDF). Foil is a single colour; very fine lines and small text may be simplified so the mark reads clearly at patch size. A branding proof is issued for approval before production.

SOMETHING ENTIRELY YOUR OWN

Custom colour stripes and details are available on enquiry, from a minimum of 100 pieces. We can design a stripe unique to your business and its branding.
